The Vineyard

The ABTSBERG is without question our estate's most renowned vineyard site, famous for producing wines of almost peerless longevity. Its bedrock is blue Devonian slate, forming a rounded summit that opens up from southeast to southwest. The estate's finest parcels are located at the heart of that cone, which reaches gradients of up to 75%. While the full length of the 14-hectare ABTSBERG transitions seamlessly into the HERRENBERG to the west, the soil tends to be shallower and more fossil-rich here. This heightened minerality is reflected in its wines as well. In addition to Riesling, we also cultivate Pinot Noir on the ABTSBERG.

Tasting Notes

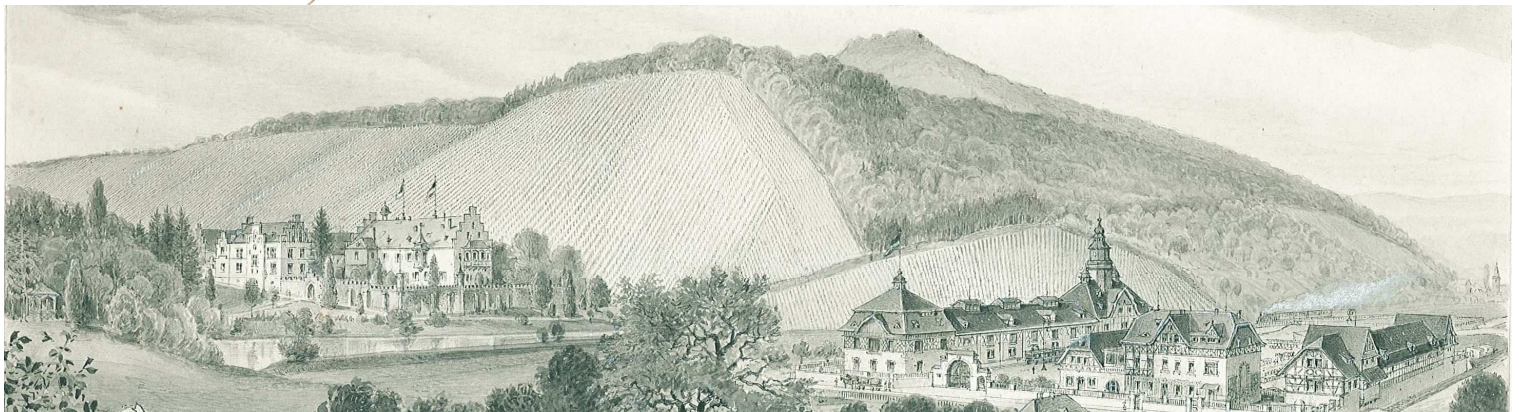

Very complex bouquet with a lot of red cassis and a tiny bit of exotic flavours. Aromas of freshly cut herbs and lemon zest give the wine a fresh and exciting character. On the palate juicy and elegant with perfect balance and rich fruit. The finish is long and vibrating and creates salty impressions.

Food Pairing

Perfect with mediterranean pasta dishes, Spicy Asian cuisine, German cuisine
