The Vineyard

Our ALTE REBEN and ALTE REBEN FEINHERB Ortswein come from our two largest monopole sites, the HERRENBERG and ABTSBERG. They are produced exclusively using grapes from parcels whose vines are at least 35 years old, and a majority are even older.

Wines from the different parcels are first matured individually in small fuder casks, then blended as an Ortswein. The ABTSBERG usually comprises the larger share.

The pair of Ortswein stand out for their elegant tension and marked minerality. In their youth, the wines show a beautiful balance and drinkability that can nonetheless develop over decades.

Tasting Notes

Cool and fresh bouquet which already promises great juiciness on the palate. Aromas of peaches, ripe apples, red cassis and lime fruits dominate the smell, joined by fine herbal hints. The perfect balance between sugar and acidity makes your mouth watering. The long finish leaves impressions of salty minerality.

Food Pairing

Perfect with Quiche, Asparagus dishes and seafood
